2017 Polyurethanes Technical Conference
October 2-4, 2017 | New Orleans Marriott
New Orleans, Louisiana

CALL FOR PAPERS AND POSTERS
DUE FEBRUARY 3, 2017

IMPORTANT DEADLINES:
Paper Abstracts accepted beginning November 4, 2016
Final Paper and Presentations due June 16, 2017
Poster Abstracts due August 4, 2017

The Center for the Polyurethanes Industry (CPI) will host its 60th Polyurethanes Technical Conference to highlight the latest, innovative polyurethanes technology and discuss the most pressing issues facing the industry today. As the longest-running polyurethanes conference in North America, CPI’s annual conference convenes technical experts, industry leaders, and downstream users for a unique convergence of scientific presentations, professional networking, and regulatory insight.

Papers and posters may address breakthrough technology in any of the topics below:

**Applications:**
- Automotive
- Appliances/Cold Chain
- Construction
- Furnishings
- Recreation
- Clothing
- Medical
- Packaging

**Product Areas:**
- CASE
- Adhesives & Sealants
- Coatings & Elastomers

**Product Areas cont:**
- Binders
- Flexible Foam
- Rigid Foam
- Thermoplastic Polyurethanes

**Chemistry:**
- Chemistry & Fundamentals
- Diisocyanates
- Renewable Content Polyols
- Blowing Agents
- Flame Retardants
- Release Agents
- Catalysts

**Process:**
- Processing Innovations
- Equipment

**Issue Areas:**
- Combustibility
- EHS
- Energy Efficiency
- Green Chemistry
- Sustainability/Recyclability

Submissions will be accepted **beginning November 4, 2016**
