2018 POLYURETHANES TECHNICAL CONFERENCE
October 1-3, 2018 | Atlanta Marriott Marquis
Atlanta, Georgia, USA

CALL FOR PAPERS AND POSTERS
DUE FEBRUARY 2, 2018

IMPORTANT DEADLINES:
Paper Abstracts accepted beginning November 3, 2017
Final Paper and Presentations due June 15, 2018
Poster Abstracts due August 3, 2018

Visit https://polyurethane.americanchemistry.com/ for more information
The Center for the Polyurethanes Industry (CPI) will host the Polyurethanes Technical Conference to highlight the latest, innovative polyurethanes technology and discuss the most pressing issues facing the industry today. As the longest-running polyurethanes conference in North America, CPI’s annual conference convenes technical experts, industry leaders, and downstream users for a unique convergence of scientific presentations, professional networking, and regulatory insight.

Papers and posters may address breakthrough technology in any of the topics below:

**Applications:**
- Automotive
- Appliances/Cold Chain
- Construction
- Furnishings
- Recreation
- Clothing
- Medical
- Packaging

**Product Areas:**
- Coatings, Adhesives, Sealants and Elastomers (CASE)
- Adhesives & Sealants
- Coatings & Elastomers

**Product Areas cont.:**
- Binders
- Flexible Foam
- Rigid Foam
- Thermoplastic Polyurethanes

**Chemistry:**
- Chemistry & Fundamentals
- Diisocyanates
- Renewable Content Polyols
- Blowing Agents
- Flame Retardants
- Release Agents
- Catalysts

**Process:**
- Processing Innovations
- Equipment

**Issue Areas:**
- Combustibility
- Environmental, Health and Safety
- Energy Efficiency
- Green Chemistry
- Sustainability/Recyclability
- Transportation
